

# NW PEDIATRICS

## INTEGRATIVE MEDICINE

To our amazing families,

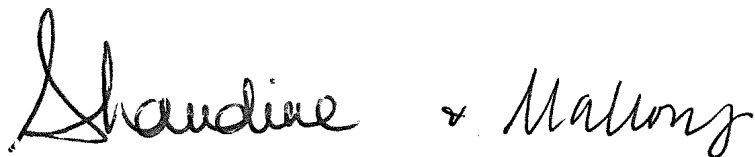

We share in your sadness the news that Dr. Paul's retirement brings. We have had the amazing opportunity to be a part of the growth and fundamental values of Integrative Pediatrics over the last 14 years and that is why with gratitude and excitement we are able to continue to provide this personalized care under the new name of NW Pediatrics Integrative Medicine.

Although a chapter is ending, it is our desire to always be able to provide the best care to our patients. Rest assured we will absolutely continue to honor informed consent, provide a purposeful blend of holistic and mainstream medicine, and commitment to unwavering excellence in pediatric care. This is important to us as this uniqueness in care is challenging to find at many clinics.

The providers you have known and trusted will continue to include: Mallory Johnson CPNP, Shaudine Woody DNP, Cathy Lien CPNP, Gabe Francetich PA-C, and Suzanne Emery FNP. Please continue with them in calling NW Pediatrics Integrative Medicine your pediatric care choice for your family. We will be staying in the same location you know well, 11790 SW Barnes Rd. Bldg A, Suite 140, and can take over your care starting December 5th, 2022. You can schedule at 503-643-2100. The website is under development, but you will eventually find us at: [www.nwpim.com](http://www.nwpim.com).

During this time of transition we will strive to provide the most seamless care possible. To help us with this process, it will be important for our patients to get paperwork signed under the new clinic name as soon as possible. You will need this for your upcoming visits as well as being able to receive advice once Integrative Pediatrics has closed. Enclosed you will find a Release of Information (ROI) form of which you can complete now and send by mail, patient PORTAL, or drop off at the clinic.

We look forward to continuing your care and watching your kids grow,

Handwritten signatures of Shaudine and Mallory, with a small decorative symbol between the names.
